

Fondazione Gabriele e Anna Braglia

FOR A SAFE VISIT

Anti Covid-19 provisions at Fondazione Gabriele e Anna Braglia - valid until further notice

Limited access and safe distances:

- A maximum of 20 people can be present in the Museum at the same time (Foundation staff included).
- Respect for social distance (1.5 m) between one person and another is required during the stay at the Museum.
- Seats are limited and are disinfected every 60 minutes, or more in case of high number of visitors.

Ticket office:

- The reception desk is equipped with a protective Plexiglas structure.
- Visitors are kindly requested to pay by credit card or to obtain the right amount in cash.
- The distribution of teaching aids takes place at the ticket office and they are not reused.
- Access to the various areas is coordinated by the staff of the Foundation.

Hygiene:

- The use of a sanitary face mask is compulsory. Mask can be supplied at the entrance of Fondazione Braglia.
- Hand sanitizers are available to visitors at the entrance to the Foundation, on the 1st floor and in the bathroom.
- Visitors are asked to respect the general hygiene and conduct rules dictated by the FOPH.
- The cloakroom service is equipped with disposable plastic bags

Shop:

- Publications cannot be browsed; excerpts of the current catalog are available for visitors.
- The products and objects for sale cannot be manipulated; the reception staff remains available for information.

Guided tours and events:

- Visits are allowed, by reservation only, for a maximum of 15 people and after mandatory registration of personal data.

Thanks for your cooperation and enjoy your visit!
